The story behind Sammy

Sam Luzania grew up inside La Luz del Mundo, in a world where, he says, silence was the rule. When he left, he was excommunicated and cut off from everyone he knew. Now a father, he built Sammy so kids have the words and parents know the signs, free for every family.

> **"I am a father. And I built this because I know what it costs to stay silent."**
> Sam Luzania, creator
